

Hire Charges

Our hall can be hired by the hour with a **minimum hire of 2 hours**.

We also allow a full or half day hire.

Please allow time in your booking time for set up and clear down of your party or event. We will meet you at the start of your booking to open the hall and show you where everything is.

At the end of your booking, we will meet you at the end of your booking time and lock up after you. On some occasions we may ask you to lock the front door of the hall and drop the key into our post box.

We are happy to offer hire at discounted rates for other charitable organisations or for longer term hire.

Please contact the booking secretary for more information.
