

General Information for users of Acklington Village Hall

We provide the hall for hire at a very reasonable price and, in order to keep charges low, we ask you to leave the hall clean and tidy after you've used it.

There are rubbish bins at the right hand side of the hall, so please bag up your rubbish and put it in the appropriate bin. The recycling bin takes only clean paper and card, plastic bottles and tin cans. It does not take glass. Please take glass away with you to a council recycling facility.

We appreciate you telling us if there are any problems or issues at the hall so that we can rectify them as soon as possible and make sure your activity goes smoothly.

Alison Sharpe, our Bookings Manager, will liaise with you over your access to the hall – getting in, locking up etc. You can contact her on 01670 761451, or email us at acklingtonvh@gmail.com if you prefer.
