No special arrangements are necessary if:

- The hirer runs a free bar.
- A number of close friends can decide to share the cost of running a free bar.
- Guests to an event bring their own alcohol.
- Please note: At no time during such an event must alcohol be sold.

Under these conditions, Drinking in the car park area is prohibited.

SALE OF ALCOHOL

Special arrangements are necessary if you are selling alcohol at your event, even if it is an event only for relatives and close friends **or if the price of the ticket includes an alcoholic drink.**

Under these conditions there are two options:

Option 1

The Hirer can run the bar under the premises licence held by the Alderbury Village Hall.

Hirers are required to apply for a licence at the time of booking – by emailing The Secretary of Alderbury Village Hall – secretary@alderburyvillagehall.org.uk

Written permission will then be provided to the organiser of the event and this written permission must be available at the event. The Committee reserve the right to refuse a licence.

Under this licence the consumption of alcohol is strictly confined to the premises and cannot be consumed in the car park.

Option 2

The Hirer applies for a TEN which can be obtained from Wiltshire Council. For more information and to apply for a TEN go to www.wiltshire.gov.uk/licences-permits-ten

- The application should be sent to the Council no later than 10 clear working days before the event takes place as you MUST have the licence in place before the event.
- You must supply the hall booking clerk with a copy of the licence (TEN) prior to the event and the licence must be displayed at the event.
- The person who applied for the TEN and is named on the application, is legally responsible for the sale of alcohol.

This notice allows you to sell alcohol at the Hall. Drinking in the car park area is prohibited.

Please note that there is a limit to the number of TENs that will be granted to people holding events in the village hall each year, therefore, this option may not be available.

Important: The Police, Council Licencing officers, or the Village Hall Committee, can check at any time during the event to confirm rules are being observed. Should there be evidence of noncompliance and breach of Licencing regulations, the event will be terminated.
