TERMS AND CONDITIONS OF HIRE 2020

1. Hirers

All hirers must be over 18 years of age. **No teenage parties are permitted.** By law, The Anthony Hall is now a **NO SMOKING** venue.

Hirers must make their own arrangement to prepare the Hall for their function. All equipment belonging to the Hall must be replaced in its allotted space and any damage or breakages reported. Storage space allotted to various organisations is entirely at the discretion of the Committee and organisations making use of the Hall for storage do so at their own risk. The Committee is not responsible for loss or damage to any items left in or around the Hall or to vehicles and their contents in the car park.

2. Hire Periods

- a) All hire periods of the Committee Room are by the hour.
- b) All hires of the Hall are for a **minimum of four hours** and at the hourly rate specified.
- c) Hirers are requested to vacate the Hall on time. There are often other hirers waiting to enter.

3. Cancellations

More than a month prior to event	Full Refund
Within a month of event	50% Refund *
Within one week of event	No Refund

* If hirer has only paid the required 50% deposit, this will be retained in full. If the hirer has paid in full, 50% will be refunded.

4. Music

Hirers have the Trustees' permission to play live or recorded music at the Hall during the Hire. Please also note that, if showing a film during the hire, it is the Hirer's responsibility to ensure compliance with the age restrictions for that film. Further, if the Hirer is putting on a performance for which tickets costing £20 or more are being sold, the Hirer is required to obtain their own licence from PRS/PPL.

5. Sale of Alcohol

If Hirers are intending to sell any alcoholic beverage during their Hire **HIRERS MUST:**

- obtain the consent of the Management Committee to apply for a Temporary Event Notice. This can be done by notifying the Booking Secretary AND THEN
- obtain a Temporary Event Notice from AVDC Licensing Dept, which enables the sale of alcohol for a specific nominated period.

Hirers are responsible for having a licence available should any authorised person wish to see it. Penalties for non-compliance are severe.

NB Apart from normal Bar sales, "SELL" includes printed ticket promotional raffles, which include alcoholic prizes, or any event having food and alcoholic drink as part of the admission fee. However, ordinary raffles using simple cloakroom tickets and having alcoholic prizes OR events for which attendees are invited to supply their own alcoholic drinks are excluded from this requirement.

6. Cleaning

Our regular contractors are employed to clean and care for the Hall, but in consideration of other users, hirers must leave it reasonably clean and tidy, including the cooker (if used). All waste and refuse bins must be emptied into the large wheelie bin outside the side door.

Please remember that we try to keep hire fees down on the assumption that hirers co-operate in good housekeeping and careful usage: repeated failure to assist us on these matters may incur additional cleaning charges for those concerned.

7. Health and Safety

The hirer is responsible for complying with any legislation currently in force regarding Food Hygiene, Health and Safety and use of any “bought in” appliances (A/V systems, kitchen equipment etc.). There is a First Aid Box in the kitchen (on a shelf above the work top) and a clipboard behind it carrying Accident Report forms. Should there be any incident or injury requiring treatment it *must* be recorded on an Accident Report form and the form handed to the Bookings Secretary.

Organisations should provide their own public liability insurance.

The maximum number of people allowed in the Hall is 180, but we recommend strongly numbers are kept well below this level. Larger events are recommended to have their own qualified First Aid presence.

8. Safety and Emergency Procedures

1. **The Fire Exits must be kept clear and unlocked during the time that the Hall is in use.** Child gates near the rear exits **MUST** be secured in the **OPEN** position at all times, except when the Pre School-Groups are in session.

 - a. Be informed and be able to act correctly in the event of Fire or other medical emergency

 3. Every person who hires the Hall must be familiar with the attached floor plan and be able to describe and follow a route to the nearest exit from their meeting place, or an alternative should that become necessary.
