

ARNESBY VILLAGE HALL - HIRE CHARGES

The hall can be booked online for sessions by the hour between 9am and 23.30pm. The calendar shows those slots which have been booked by others.

From 1st January 2024 the hire charges are:

- Village users £7. 50 per hour
- Non village users £10 per hours
- Commercial users £30 per hour

There is no discount or pro-rata charge for bookings which do not use a whole hour.

Commercial users are companies and organisations arranging events which are not charitable or social activities exclusive to village residents.

There is no additional charge for cutlery, crockery and furniture used within the hall.

The school playing field (opposite the school on the other side of Lutterworth Road) can also be booked on a calendar on this site. There are no charges for villagers, but a charge may be applied to non-residents and outside organisations. Booking is advisable to ensure the school is aware of availability for its own use.

The Trust also owns gazebos, tables, chairs, cutlery, crockery, and glasses which can be hired out for garden parties etc. There is a separate equipment calendar for this where availability can be checked and items booked. Charges will vary depending on what is borrowed but will typically be £5 for a day's hire per gazebo and £2 for a set of tables and chairs or crate of glasses, to be negotiated with the Booking Secretary for bulk discounts.

Please note the above items are NOT the ones used in the main hall and their condition will vary. Tables and chairs to be borrowed are in the shed and glasses etc are in the storeroom. The gazebos are in the loft, requiring ladder access (use pole in corner by hatch to open loft door and pull down the ladder).

The Booking Secretary has discretion to offer discounted rates for multiple bookings of the hall, playing field or equipment, where payment is made in advance.
