

## ASTON BY STONE VILLAGE HALL FAQs

Charity No: 1183768

### **Can I have a bouncy castle at the Hall?**

Yes, but no higher than 2.7m (9 feet) tall.

### **How many tables and chairs do you have?**

13 large (30 x 72 inches), 4 medium (30 x 60 inches) and 13 small (24 x 25 inches)  
100 chairs.

### **Is there on-site parking?**

Yes: there are 6 marked spaces at the front of the hall (and also 2 marked Disabled spaces). There is also a car park at the rear of the Hall for another approximately 15 vehicles. In addition, there is a large layby on the A34 about 100m away with unrestricted parking available.

**Do you have cooking facilities?** We have 2 electric ovens and 4 hob rings. In addition, there is a small microwave oven, a hot water urn and a kettle.

### **Is there a freezer?**

No, but we do have 2 domestic-sized fridges.

### **Is the Hall cleaned between every hire?**

No, our cleaners come in twice a week which we find gives the best value for money to hirers; to pay for cleaning after every hire would significantly increase our hire costs. The hall **must** be left in a clean condition by all hirers.

### **Is set up and clean up time included in the hire fees?**

Yes – you need to take into account when you book that you do have to clean the kitchen and the hall before you leave.

### **Is the Hall disabled friendly?**

Yes. There is a ramp entrance to the main building and to the courtyard. All the internal rooms are on the same level. There is a Disabled Toilet.

### **Do you allow dogs in the Hall?**

Only assistance dogs.

### **Why can hirers not attach anything to any walls or painted surfaces?**

We prohibit this due to the risk of damage to the surfaces which would require repair/redecoration.

### **Why do I have to take my rubbish home after hiring the Hall?**

We have limited capacity in the wheelie bins available and this is fully taken up by the groups who have a Regular Hire Agreement.
