

# **St Peter's** *community hall*

## **Hire Charges for St Peter's Community Hall**

Hire charges are for exclusive use of the Community Hall including the kitchen and toilets. Our Church staff have an office in the Hall and they use the kitchen and toilets, but they won't get in your way.

We do not offer exclusive use of the car park as the church runs activities all throughout the week and requires use of the carpark too. However you're more than welcome to use it if there is space available. Please park with consideration and do not block the pathway to the side of the church hall. Please allow one car width in front of the church flower bed to allow cars to pass through to use the grass as overflow.

### **Hourly Rate**

For regular hall users with a key, the hourly rate for hall hire is £13.55.

### **Ad Hoc and Party Bookings**

For ad hoc hall use and one off party bookings the hourly rate for hall hire is £16. You must book enough time to set up and clean away after yourself.
