Berden Sports & Social Club Bar

The members of the Berden Sports & Social Club can sometimes help by opening and running the bar at an event. The Hirer would be required to become a member of the club at an annual cost of £5, then their event would be covered by the existing alcohol licence, and their guests would be asked to sign in as Guests of the Sports & Social Club. Hirers of the hall could then either “put money behind the bar”, and when that has been spent their guests could pay for additional individual drinks, or they could open a “Tab” and settle up at the end of the event. There would be a charge of £100 for this service, which can be purchased via the Sports & Social Club Online Store: berden-sports-and-social-club.sumupstore.com
