

## **INFECTION CONTROL**

### **Birchwood Boiler House Community Hall**

**20/09/2023**

We recognise that restrictions have been lifted, but advise to still take precautions, ensuring your guests are aware of risks, especially when larger gatherings are present

**HAND WASHING/ GEL** ; It is very important to restrict any contamination passed on, so patrons should request their guests continue to wash handsetc.

**DOORS, HANDLES etc**; Wiping 'contact' areas is advised before and after using our premises.

**KITCHEN HATCH**; if serving from the kitchen, think about wearing a face covering?

**VENTILATION**; where and when possible ensure some air flow, our fan can help and there is a kitchen window that opens. (please close after use).

**SOCIAL DISTANCING**; rules to be considered by individuals in planning big events.

**Follow any government guidelines**

**We will alter these guidelines when required to do so.**

**A record book is located in the kitchen for your comments.**
