

Burton Leonard Village Hall

Licensing the Hall for Alcohol Sales

If you wish to sell alcohol at your booked event at the Village Hall that can only be done with a licence. The easiest way to do this is with a Temporary Event Notice which you can apply for through North Yorkshire Council. You can apply for this by post at County Hall Northallerton, but it is best done online [here](#).

There are certain restrictions on the numbers that can attend and the duration of the event, but these should not impact on the kind of events that are usually hosted in the Hall. There is a fee of £21 (as at 17/06/24) and you need to give the Council notice of at least 12 working days to get a Temporary Event Notice.
