

The idyllic Cranford Village Hall, overlooking sheep grazing parkland, offers a great array of high quality facilities to help support your special event.

These are detailed below:

Main Hall

The main hall is a sizeable room capable of hosting up to 100 people.

However for weddings or seated/parties etc. We would recommend keeping the number to no more than eighty to ensure adequate room. The use of our tables and chairs are included in the hire.

There's also access to a smaller room/library with a sofa and chairs for anyone wanting some quiet time. This room can be accessed from both the stage in the main hall and the lobby area and can be used as a green room.

We accommodate indoor soft play and bouncy castles.

High quality new children's tables and chairs are available for use. Please just ask.

Kitchen

The kitchen is fitted with modern catering appliances which include a range oven a fridge freezer, dishwasher, microwave and automatic hot water urn. The use of the kitchen, white crockery, glasses and plain cutlery are all included in the hire – enough to cater for at least eighty people.

A full set of recycling bins is provided, please help us by using them.

Stage

The hall has a splendid stage with access to the small side room which has proved to be a great feature for weddings, shows, presentations, entertainers etc.

Toilet facilities

Adequate modern washroom facilities are provided, including disabled facilities and pull-down baby changing table.

Disabled Access

Level access is available for all our disabled patrons.

Outside Space

At the front of the Hall there is plenty of space for Gazebos, a Bouncy Castle, small marquee

Media

Free access to fast WiFi is accessible in the Hall and a pull down screen is available for presentations.
