Please discuss with us if you wish to run a bar at your event and/or require a TEN (Temporary Event Notice). These are available from Shropshire Council, incur a licensing fee (approx £21) and are limited in number by venue.

We have a small amount of storage space for regular users only - fees are £18/sq.m/mth.

Parking directly outside English Bridge Studios is very limited, so we encourage visitors to use nearby public parking at Abbey Foregate where possible.

When spaces are available outside the building, a £5 building upkeep contribution per car helps us look after the studios. Contributions can be made using the CollectIn machine outside the EBS office. Please speak to us in advance so we can confirm what is available.

A portable ramp is available for wheelchair users and visitors who may need support with access.
