

The Loft

The Loft is in Studio 6 along with three resident artists.

It is accessed via a staircase, has a view out of the window and is most suited to desk work.

As the headspace is somewhat limited, it can only take one person.

There is key holder access and some shelf storage for those who wish to book a regular day each week.

Access to the building is by arrangement, according to usage required.

Hire charge is £5 per day.
