

# Hot desking

There are a couple of hot desking opportunities at EBS:

The Loft is in Studio 6 along with two resident artists.

It is accessed via a staircase, has a view out of the window and is most suited to desk work.

As the headspace is somewhat limited, it can only take one person.

There is key holder access and some shelf storage for those who wish to book a regular day each week.

The Lower Hall is also available for hot desking on Mondays, 10-4, as a shared space. Tables and chairs are provided.

Drop-in is available, but giving us the heads up beforehand will improve your experience!

Access to the building is by arrangement, according to usage required.

The hot desking charge is £10 per day for both spaces.
