

## Access

The key safe is located to the right of the red hall doors, next to the wooden side gate. Open it and input the 4-digit code that you will be given the week of commencement of your hire. A set of keys will be inside which will gain you access to the red hall doors.

Vehicles must not be parked immediately outside the Hall – this area is for use when delivering or loading up and MUST be kept clear at other times in case ambulance or fire services must gain access in an emergency. The Organiser should make the reason for this clear and is responsible for ensuring that this is complied with by guests and other members of their party.

## Corridor

Please keep the corridor clear of any obstructions.

## Hall

### Hall Partition

There is a partition that allows you block off one third of the hall which you may want to use to block of children's access to the nursery equipment. Currently we ask that you request this be put in place before you event and it will be set up when you arrive.

## Fire Exits

In the event of a fire please exit the building using the nearest fire exit (photos of hall fire exits on next page, a 'Fire Exits Plan' can also be found in the documentation tab on our Hall Booking Online page). The fire assembly point is the green area behind the playground, next to the gate that leads onto Crescent East and there are two signs that indicate this area. Once at the fire assembly point please alert the fire brigade by calling 999.

## **Chairs and Tables**
