

## **Some feedback from our recent customers**

Excellent venue for kids parties, we had a great day celebrating our sons Birthday

Just wanted to say a big thank you for your help and organisation for our daughters party on Sunday. The hall was brilliant and had everything we needed, we were really impressed. We will most certainly be booking the hall again in the future and will recommend you to friends and family.

Great venue, Thanks for your Help.

Had our wedding reception here, Fantastic Venue!
