Health and Safety

Hirers are required to familiarise themselves with the Fire Action Notices displayed around the Hall. In the event of a fire, the Memorial Hall should be evacuated in an orderly manner using the appropriate exits and the Fire Brigade called by dialling 999.

Hirers and guests are to gather at the designated Assembly Point located at the back of the village car park. The exact location of the nearest fire exits and fire extinguishers must be noted before the Memorial Hall is occupied and the manner of opening the Fire Doors should be made known to your guests.

The fire doors adjacent to the servery hatch are to remain UNLOCKED whilst the Hall is in use. It is the Hirers responsibility to ensure that these doors are locked before vacating the Hall.

Please see the attached Floor Plan of High Wych Memorial Hall overleaf.

Please use the trolleys provided for moving chairs and tables to avoid injury. Chairs and tables should be re-stacked in the Memorial Hall as they were found.

There are basic First Aid bags located in the kitchen, the Committee Room toilet area and outside the disabled toilet. The Accident Book can be found INSIDE the First Aid bag in the kitchen.

There is a Baby Change facility in the disabled toilet.

Power Circuits

All users of the Hall are advised that any portable electrical equipment that they bring on site should have been PAT tested.

Car Parking

The Memorial Hall has car parking space for approximately five cars if they are parked sensibly. Any overflow may park in the adjacent village car park. This is a non-paying car park. It is the responsibility of hirers to ensure designated disabled parking bays are used appropriately. The access road must not be obstructed. Unauthorised overnight parking by hirers and/or their guests is not permitted in either car park.

Hall Telephone

The Memorial Hall has no telephone and there is no longer a public phone located in High Wych. Hirers are advised to bring a fully charged mobile phone for use in case of emergencies.

Faults/Damage/Comments

Please report any faults or damage to the Booking Secretary or Hall Caretaker as soon as possible so that they can be rectified quickly. The Management Committee welcome comments or observations that you may have about your hire of the Memorial Hall.

Consideration for Others

The High Wych Memorial Hall is sited within a residential area. Please ensure your guests to leave quietly at the close of your event. Car doors banging and loud talk in the car park are disturbing to local residents.
