

MOUNTFIELD VILLAGE HALL

ACCESS STATEMENT

Below is a plan of Mountfield Village Hall, showing rooms (highlighted in orange) and doors (highlighted in yellow).

Mountfield Village Hall has a main **front door** on the north side with 2 steps, which has an assisted access rail but does not yet allow wheelchair access, see below:

There are 3 further **emergency/fire exit doors** to the East and North sides, each with 1 step up, see below:

And a **back door** with no step, providing flat **wheelchair access**, via the rear (south side) **emergency/fire exit door**. This door is equipped for independent entry with a numerical keypad. It is approached directly from the flat car parking area, also on the south side of the hall, see below:

Flat car park to south side of hall:

A **disabled toilet facility** is also available next to the rear emergency/fire exit door, see below:

Access from the rear emergency/fire exit door to the main hall is via a wheel-chair wide corridor to a door opening to the main hall.
