

NOWTON VILLAGE HALL

Important information for hirers

Please ensure that you have read the terms and conditions.

Remember to stick to the times you have requested and to respect local residents when coming and going.

The key is available from a key safe by the hall, the code will be given to you before your booking date.

The electric is run by a coin operated meter at present, it takes both £1 and £2 coins so please ensure you have some with you on the date.

Payment for the hall can be made by cash or cheque;

Nowton Village Hall treasurer
