The new pavilion in Pirton was opened on Good Friday, 3<sup>rd</sup> April 2026. It is managed by Pirton Sports & Social Club and is a welcoming hub for the residents of Pirton and the surrounding areas, offering a range of sporting and leisure activities.

Whether you're a fan of football, cricket or tennis, or simply looking for a friendly spot to relax, our clubhouse has something for everyone. With a well-stocked bar at affordable club prices, a big-screen TV for live sports, and full kitchen facilities, it's the perfect place to unwind after a match or gather with friends and family. We pride ourselves on being at the heart of the community, providing a space where people of all ages can come together for sports, social events, and a great atmosphere.

A plan of the layout of the Pavilion is available in this Documents section. Prices to hire the various facilities are also available in a separate document in this section.

The Pavilion is available for hire for events from small family gatherings up to large weddings, offering commercial kitchen facilities, together with an inviting lounge and a studio which can be partitioned off to form a separate meeting room. Large sliding doors open onto the Recreation Ground, with the option of outdoor seating and social activity. A children's playground is also available within the confines of the Recreation ground.

Parking is available for around 60 cars and there are two dedicated disabled places and an EV charging point. Improvements to the parking facilities are on-going, so contact us for the latest situation, or if you have specific requirements.
