

New Priestwood Community Association Data Protection Procedures 21.07.2023

1) Introduction

1. New Priestwood Community Association has a data protection policy which is reviewed regularly. In order to help us uphold the policy, we have created the following procedures which outline ways in which we collect, store, use, amend, share, destroy and delete personal data.
2. These procedures cover the main, regular ways we collect and use personal data. We may from time to time collect and use data in ways not covered here. In these cases we will ensure our Data Protection Policy is upheld.

2) General procedures

1. Data will be stored securely. When it is stored electronically, it will be kept in password protected files. When it is stored online in a third-party website (e.g. Google Drive) we will ensure the third party comply with the UK GDPR. When it is stored on paper it will be filed carefully in a locked filing cabinet.
2. When we no longer need data, or when someone has asked for their data to be deleted, it will be deleted securely. We will ensure that data is permanently deleted from computers, and that paper data is shredded.
3. We will keep records of consent given for us to collect, use and store data. These records will be stored securely.

3) Mailing list

1. We will maintain a mailing list. This will include the names and contact details of people who wish to receive publicity and fundraising appeals from New Priestwood Community Association.
2. When people sign up to the list we will explain how their details will be used, how they will be stored, and that they may ask to be removed from the list at any time. We will ask them to give separate consent to receive publicity and fundraising messages, and will only send them messages which they have expressly consented to receive.
3. Emails will be sent using the BCC function to prevent unintentional sharing of emails with others
4. We will not use the mailing list in any way that the individuals on it have not explicitly consented to.
5. We will provide information about how to be removed/unsubscribed from the list with every mailing.

4. When contacting people on this list, we will provide a privacy notice which explains why we have their information, what we are using it for, how long we will keep it, and that they can ask to have it deleted or amended at any time by contacting us.
5. To allow volunteers to work together to organise for the group, it is sometimes necessary to share volunteer contact details with other volunteers. We will only do this with explicit consent.
