

Victoria Hall Shaldon hire charges

The Hall is available to hire from 08:00 to 23:00 every day.
Hire to 24:00 may be available by special licence. Contact the bookings secretary if required.
The hire period must include all set up and clearing up time.

Items cannot be left in the hall before or after the hire period except by special permission from the bookings secretary.

The hire cost is £10.00 per hour for all bookings.

An additional surcharge may be made if the Hall is left in an untidy condition or if the heating is left on after use. (Note that in winter the heating can cost several pounds an hour to run.)

No additional charge is made for use of kitchen items.

All invoices must be paid before the booking can be confirmed except for clubs and societies who can by special arrangement be invoiced monthly.
