

Village Hall at St. John's

Stadhampton has a village hall facility within St. John's Church, which is available for hire. The church interior was converted in 2013 to offer a comfortable, attractive, high-quality, community space.

While still being used for church services on a Sunday (which are now far more comfortable!), the building can also be hired to host a wide range of activities and events; large parties, children's parties, small meetings, rehearsals, music practice, sports and leisure clubs, etc.

Location

St John the Baptist Church, The Green, Stadhampton, OXFORD, OX44 7UA.

Note: Sat Nav will bring you to the main village green so look out for tourist signage for church/village hall.
