The photographs published on the Hall Booking Platform provide a **true and accurate representation** of both the **Dickenson Hall** and the **Lindo Hall**, including their size, layout, and general condition. Hirers are encouraged to review these images carefully when considering whether the facilities are suitable for their activity or event.

### **Arranging a Viewing**

The administration of Christ Church and its halls is managed **entirely by members of the Church on a voluntary basis**. As a result, it is not always possible to arrange individual weekday or ad-hoc appointments to view the facilities.

To ensure a fair and consistent approach for all hirers, we offer a **weekly open viewing time**:

- **Every Sunday between 11:00 am and 12:00 noon**
- A member of the **Ministry Team** or the **Hall Hire Administrator** will be available
- **No appointment is required**

Simply **turn up, introduce yourself**, and ask to view the hall(s).

---

### **i Important Notes**

- Viewings are offered on a first-come basis during the stated time
  - Hirers should allow sufficient time to look around both halls if required
  - Questions about availability, pricing, or bookings should be directed via the Hall Booking Platform
- 

### **Thank You**

Thank you for your understanding and cooperation. This approach helps us balance accessibility for hirers with the practical realities of volunteer-led church administration.
