Overarching Safeguarding Policy Stamfordham Playing Field and Village Hall

1. Purpose

Safeguarding and promoting the welfare of children and adults at risk from abuse or neglect.

This overarching policy defines how Stamfordham Playing Field and Village Hall operates to safeguard children, young people and adults at risk of abuse or neglect.

We have a duty of care and are committed to the protection and safety of everyone who enters our premises including children, young people and adults at risk involved as visitors and/or as participants in all activities and events. We also have a duty to safeguard and support our trustees, volunteers, and staff.

Whilst this policy includes both adults and children, there are separate procedures for each of these groups in recognition of the following factors:

- Children and adults may each face a different set of issues
- The definitions and terms used differ
- Procedures for reporting abuse and handling cases are not the same
- There is different legislation and policy

This policy is therefore supported by a more detailed suite of safeguarding and child protection procedures that support the overarching safeguarding policy statement.

These explain the steps that will be taken to keep adults, children, and young people safe, and what to do when there are concerns about an individual's safety or wellbeing. These supporting procedures are contained within the appendices.

2. Definitions

Children and young people are defined as those persons aged under 18 years old. This policy will apply to all staff, contractors and volunteers and will be used to support their work.

Safeguarding and promoting the welfare of children is defined as:

- protecting children from maltreatment
- preventing impairment of children's health and development
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- taking action to enable all children to have the best outcomes.

Adult at risk of abuse or neglect

For the purposes of this policy, adult at risk refers to someone over 18 years old who, according to paragraph 14.2 of the Care Act 2015:

- has care and support needs
- is experiencing, or is at risk of, abuse or neglect

- as a result of their care and support needs is unable to protect himself or herself against the abuse or neglect or the risk of it.

If someone has care and support needs but is not currently receiving care or support from a health or care service, they may still be an adult at risk.

3. Persons affected

- All trustees, volunteers, and staff
- All those attending any activity or service that is being delivered from the village hall charity property
- All visitors and contractors

4. Policy principles

There can be no excuses for not taking all reasonable action to protect adults at risk of abuse, exploitation, radicalisation, and mistreatment. All citizens of the United Kingdom have their rights enshrined within the Human Rights Act 1998. People who are eligible to receive health and community care services may be additionally vulnerable to the violation of these rights by reason of disability, impairment, age, or illness.

Stamfordham Playing Field and Village Hall charity has a zero-tolerance approach to abuse.

Stamfordham Playing Field and Village Hall charity recognises that under the Care Act 2014, it has a duty for the care and protection of adults who are at risk of abuse. It also recognises its responsibilities for the safety and care of children under the Children Act 1989 and 2004.

Stamfordham Playing Field and Village Hall charity is committed to promoting wellbeing, harm prevention and to responding effectively if concerns are raised.

Stamfordham Playing Field and Village Hall is aware of the work of their local safeguarding Board/Partnership and other support organisations on the development and implementation of procedures for the protection of adults vulnerable from abuse. The policy is about stopping abuse where it is happening and preventing abuse where there is a risk that it may occur.

Stamfordham Playing Field and Village Hall charity is committed to the following principles:
