

# **HELP KEEP THIS HALL COVID-19 SECURE!**

Your hall committee has followed official guidance throughout the pandemic. Please continue to help us:

- 1. Do not enter** if you or anyone in your household has **COVID-19 symptoms or has tested positive** – as we have many frail and vulnerable hall users.
- 2. If you develop COVID-19 symptoms within a few days** of visiting the hall contact the organiser of the event you attended – they may wish to inform other attendees.
- 3. Respect other hall users' decisions** on social distancing and wearing a face covering.
- 4. Use the hand sanitiser provided** on entering and leaving the hall. Soap, hand dryers and paper towels are also provided in toilets, kitchen and bar.
- 5. "Catch it, Bin it, Kill it"**. Put tissues into one of the rubbish bins provided. Then wash your hands.
- 6. Keep the hall well ventilated if you can.**

Thank you.
