About Our Hall

St Nicholas Church Hall is available to hire for weddings, parties, events and meetings. We welcome regular bookings for organisations. The cost of hire is exceptional value and facilities include a large main hall, entrance annexe, kitchen and fenced garden area.

How to book

We have introduced a new online booking system. This allows you to view a calendar of available time slots and make a provisional booking. Once your booking has been confirmed then you will receive an invoice for your slot which must be paid (including a £50 returnable fee in case of damage) at least 21 days before your booking.

If you are a regular hirer, then you will receive a monthly invoice. Please ensure that when you make your booking you include all relevant contact information.

To make a booking or view availability, please visit:

Catering

In addition to hall hire, we can also organise your catering requirements. We can supply buffets, party food, celebration cakes and three course meals. We can talk through your budget, discuss any dietary requirements and quite simply make your event the best.

Any Further Questions?

Our system is simple to use, but if you do have any questions, then please send us an email or call the Bookings Secretary on 01273 390544. Please note that the office is only manned part time.
