THORPE END VILLAGE HALL ASSOCIATION

USE OF HALL

1. HOW TO ACCESS THE HALL

The keys are contained within a 'key safe' which is in the form of a combination padlock locked to the car park gate. You will be emailed the combination to the lock to obtain the three keys inside. The 3 keys are:

- i. Car Park Gate
- ii. Hall Entrance Gate
- iii. Hall Front Door

Please secure the chain with the padlock round the car-park gate during your function. Please also secure the outer door padlock into the hall, by fastening it round the entry-gate. Please keep the keys safe during your hire period and return them to the key safe at the end of your function. The key safe is to remain attached to the car park gate at all times. Please scramble the numbers when the key safe is not in use.

We cannot accept responsibility if you do not follow this procedure and as such you will have no right to a refund should you be unable to access the hall. However, a Committee member may be on hand to assist you with the combination in such situations but please do not rely on this. For emergency assistance only, please call **07864 754469**

2. LIGHTS

Internal

Emergency Exit signs must be illuminated whilst the hall is occupied; the control switch for the lights is high on the right hand wall, inside the entrance and is normally left on for security reasons. All other lights must be turned off when leaving.

External

The main entrance external light is controlled by a light sensor, and remains on during hours of darkness. Outside floodlights (white) are sensor controlled. The switch on the right controls the orange lights to the rear car park as you enter the lobby (adjacent to the lobby switch itself), and these two must be switched off as you leave. Our immediate neighbours will suffer from all-night illumination if they are not switched off.

3. HEATERS

Timers that are set by the Property Officer control the gas heaters in the main hall. Hirers cannot adjust these timers. Hirers can adjust the thermostats where necessary at the beginning of the function. If the thermostats are set to 17 degrees, the Hall should be warm enough in normal circumstances. Once the thermostats are set, the heaters come on automatically. The thermostats must be turned back to zero at the end of the function. The Committee reserves the right to retain 25% of the deposit if this rule is not complied with. Please note - the heaters in the toilets, kitchen and lobby are left on during the winter.

4. KITCHEN ITEMS

The use of the kitchen, crockery, glassware and cutlery is included in the hire. All kitchen equipment should be washed and dried and replaced in its correct place. Kitchen breakages or losses will be charged at cost price.

6. ACCIDENT BOOK

Remove the completed sheet and return it to the **Bookings Officer, David Orr at 6 Seppings Way, Thorpe End, NR13 5DF**. This will enable us to learn from the incident.

7. FINISHING TIMES

The Hall must be vacated by the end of the booked session. The Management Committee reserve the right to retain up to 50% of the deposit if these times are not adhered to.

8. CLEANING & RUBBISH DISPOSAL

Please ensure that the Hall is left clean and tidy, and that the floors are swept as necessary and all spillages are cleaned up. 9. RETENTION POLICY

Our priority is to ensure you start your hire with a clean and tidy Hall and fit for your purpose. As The Hirer, it is your responsibility to leave the Hall in at least the same condition as you found it. If we find any damage to the hall and/or it is not left in a satisfactory condition, we reserve the right to claim from you or your organisation for reparation and/or costs. If payment is not forthcoming for any such work we will pass this to our legal team which may require you to respond to the court services.

At the start of your hire, you should inspect the condition of the Hall which should be in a clean and tidy state left by the previous hirer. **If you find that the Hall is not in a satisfactory condition for your hire, you must take photographs with a time and date stamp and email them to bookings@thorpeend.org** If you are unable to start your hire due to the condition of the hall please ring the emergency number, **07864 754469** We cannot accept photographs without date and time as evidence of the hall being unsuitable to use.

Breakages are sometimes purely accidental and we don't want you to ruin your hire should something happen during your time. Please report any breakages as soon as practically possible by emailing **bookings@thorpeend.org** We cannot guarantee we will not charge you for the breakage but we will take into account your disclosure and the circumstances surrounding it.

Under some circumstances the Management Committee may also recompense a subsequent hirer following your hire if you leave the Hall in a condition deemed unsuitable for hire. This may result in an additional charge to you taken from your deposit.

If we are not happy with how you leave the Hall, we will notify you at our earliest convenience and invite you to respond to the allegation. If we feel you have contravened the conditions above we will deduct the defined amount from your deposit. Where we feel further action is required or you dispute the allegations, we will retain the deposit until our next available committee meeting.
