

Important information for Hall Hirers

Bookings can be made via the bookings calendar.

Once entered they will be provisional until confirmed by a booking administrator – we need to check that we have emergency contact cover in place before we confirm a booking.

Once we confirm your booking, you will then need to pay for the room hire. Once payment is confirmed we will confirm access details with you.

If you are paying cash – please ensure it is dropped off at the address identified at least 48 hours in advance – we are all volunteers so we cannot respond immediately with access details unless this has been agreed in advance.

Thank you
