

# Walkhampton Memorial Hall advice on an Alcohol Licence and Music Licence

## **Alcohol licence**

Alcoholic drinks may be served free on an age-related basis. However, we do not hold a licence for the **sale** of alcohol. If you plan to hold a small scale or one-off event, where there will be entertainment, alcohol for sale or hot food or drink for sale you will require a Temporary Event Notice (TEN). You should approach West Devon Borough Council and obtain a licence where it is required. Website: [West Borough Council website](#)

The hirer is responsible for obtaining and purchasing any licence.

## **Music Licence**

The hall has a PRS licence because we are a premises where music might be played. However, third parties hiring the hall may need a licence if planning to play music.

If you plan to play music at your event, you must check with The Music Licence at [info@pplprs.co.uk](mailto:info@pplprs.co.uk) or 0800 0720 808 to check whether or not you should obtain a licence for your event.

Website: <https://pplprs.co.uk/get-themusiclicence/>

If required, the hirer is responsible for obtaining and purchasing the requisite licence.

A Music Licence is not required for children's parties.
