

Yelverton Village Hall - Alcohol Licence and Music Licence

Alcohol licence

If you plan to supply and consume alcohol on our premises, a separate event licence may be required. You should approach West Devon Borough Council and obtain a licence where it is required.

The hirer is responsible for obtaining and purchasing any licence.

Music Licence

The hall has a PRS licence because we are a premises where music might be played. However, third parties hiring the hall may need a licence if planning to play music.

If you plan to play music at your event, you **must** check with The Music Licence at info@pplprs.co.uk or 0800 0720 808 to check whether or not you should obtain a licence for your event.

If required, the hirer is responsible for obtaining and purchasing the requisite licence.

The Music Licence has confirmed that a licence is not required for children's parties.
